

**Chapter 1: Narration**

A platform. Time is counted. Time  
clean. Time in a higher position. To  
live in a platform and make a  
profession in a higher position. Virtue,  
but honesty. Honest time-

Chapter 2: Marriage and the Economy of Space

In a cubical, Marriage, did not approve projects. In a cubical, Marriage's Sons believe in them. In a cubical, Marriage needed a bigger space. Necessitated.

Marri(age)(fit)(ed).

An expensive space, but necessitated, Marriage understood.

Salary gender. The framework of Marriage's salary. Nothing on free will. framework of nothing unequal to salary. How to explain this to Marriage.

It's easy.

Marriage heard and read. Television read competence, and marriage heard. Contesting salaries.

-On practice, there is inequality.

- Okay.

**Chapter 4: Marriage and Job**

A little bit is missing. The working class, Marriage. A decision in time will be made. Decision as Time. Less rights and a job, or all the rights and no job. Demonstrate less rights, demonstrate more rights, demonstrate a job. Demonstrate missing.

Marriage unbureaucraticing. Suppress and surprise and set up. Marriage, losing control was a reality. You cannot produce a job. A reality these days is a lot for those who pay and little for those that receive. Marriage jumps off this premise to find a solution. There is no error on marriage's part. Millions and millions and millions domestic. Excess rights leading into domestic letting go. Marriage being interviewed did not into the den of lions. Marriage missed breakfast.
